§ 153A-364. Periodic inspections for hazardous or unlawful conditions.

The inspection department shall make periodic inspections, subject to the board of commissioners' directions, for unsafe, unsanitary, or otherwise hazardous and unlawful conditions in buildings within its territorial jurisdiction. In addition, it shall make any necessary inspections when it has reason to believe that such conditions may exist in a particular building. In exercising these powers, each member of the inspection department has a right, upon presentation of proper credentials, to enter on any premises within the territorial jurisdiction of the department at any reasonable hour for the purposes of inspection or other enforcement action.
